the scheme.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of risk of material misstatement of the financial statements, whether due to fraud or error. In making those assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the presentation of the financial statements. We have conducted financial audit of the scheme and not the performance audit of

financial statements are free from material misstatement. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the standard on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

#### **AUDITOR'S RESPONSIBILITY:**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position in the prescribed format and the as per the accounting principles generally accepted in India, including the accounting standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility includes the design, implementation, and maintenance of internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.
